WHEELING, AUGUST 1, 1889.

GENCER mailed to them for 65 cents per changed us often as desired.

Two months of the summer have gone and we enter to-day upon the last one, Thus far it has been a good season for us, pleasant in its temperature, timely in its rains, fruitful in its products and promising as to its aftermath of garnered harvests and improved business.

If August deals as kindly with us as June and July have done the agricul- black man," tural prosperity of this country will be so fully assured that we may confidently count on a very decided stimulus to busitess this fall. The full effects, however, of this stimulus will not be felt until the crops thus vouchsafed to us are in pro-

we will have an improved market a white man abroad for our surplus breadstuffs, and that the trade balance will no longer be

indeed for the people to realize that be-hind disaster the great Author of Nature was committed, which have become so familiar to the balance of the country, "still hides a smiling face." Fire and the lynching of Flemon would be very flood and great storms have locally stricken and impoverished not a few localities, but the country, as a whole, has been exceptionally favored, and tion, in convention assembled at Columlions more beyond the seas.

latter rains" never fell with more regu- the former as well as the latter. larity, and variations of sun and rain, coolness and warmth, have been singuline with its fellows at the right time.

count of their color, has been witnessed extradition case in Pennsylvania. Flemon was a colored preacher of Pitts-Carolina. He was held pending the arhim and by his friends that the alleged can wool industry." murder was committed in self-defense; that a man was shot by some one in a political riot.

the colored people is to the effect that benefits already conferred upon them by during the election excitement Flemon was stopped by a white man and warned against teaching his people how to vote. Flemon demurred and said the whites taught their people how to vote, whereupon, he was told he was black and had no rights. On the night of the murder Blackwell, the white man who was shot. led his party to a barn to "kill niggers" and fired on the black men while they that he is the founder of the miliwere praying, killing two of them.

They returned the fire and Blackwell be well taken. It is to the sgitation by got it in the neck. Afterwards five colored men were lynched and one chased three years ago, that we owe the fact that

This story, which was vouched for by many reputable citizens of South Carolina, won the sympathies of the public took hold of the matter, ordinary justice in Pittsburgh in Flemon's behalf, and the entire colored population of Western Pennsylvania became aroused to action. Led by the pastors of the colored churches of all denominations, they took proceedings in the courts to prevent the are the only and original garbage collecdelivery of the prisoner to the South tors, and as such are always eminently Carolina authorities, fearing that he successful, for they are nothing if they would never be tried, but would meet are not industrious, energetic and nuwith the fate of his companions in the merous. barn. Succeeding in getting a delay, This s they then appealed to Governor Beaver rats, fuller than usual. They have probto withdraw his warrant for the delivery ably heard of the place as a desirable

During the hearing by Governor Bea- some of the rat papers of the dilatory ver many interesting things were developed, showing how little justice the colored man expects in South Carolina, and there is less of the foul, decaying, sickto what extent race prejudice exists ening, uncollected garbage on which

tifying, during his examination stated that he went to South Caroline, where sed with black and white citifore he reached the jail, if sent back to Edgefield, and besought Clinton to do all he could to keep Flemon away. Cook signed this statement, which was corrobated by men named Bryan and Wat-

"Rev. J. S. White, colored, said that PERSONS going out of town for the once it taken back without this sgitation summer can have the DAILY INTELLI- at the North, and if sent back now he would not give \$50 for Flemon's life. nonth. The address of the paper will be Rev. J. D. Brown and Messra. Crawford and Nealls said that opinions differed as fair trial. Another white man said it wouldn't be safe for Flemon to stay in the State if acquitted. There were less evidence against Flemon than against the Briggs boys, who were acquitted of this same murder. One of the Deputy Sheriffs sent North to arrest Flemon was Lyon, who was known as a hater of the
